NEWS RELEASE

TOKYO RADIATOR MFG. Co., Ltd.

Honored as an "Excellent Procurement Partner" by Hitachi Construction Machinery Co., Ltd.

TOKYO RADIATOR MFG. Co., Ltd. has been honored by Hitachi Construction Machinery Co., Ltd. as an "Excellent Procurement Partner for Fiscal Year 2025."
This recognition reflects a comprehensive evaluation that covered the fundamental criteria expected of a supplier, such as quality, cost, and delivery.
The comprehensive evaluation also covered our overall management infrastructure, including financial condition, information security, and supply chain management, and recognized our company's outstanding performance.
Going forward, we will further enhance our quality, technological expertise, and supply capabilities, while striving to create sustainable value as a trusted partner supporting our customers' manufacturing operations.
