TOKYO RADIATOR MFG. CO., LTD.

PT. TOKYO RADIATOR SELAMAT SEMPURUNA

Recognized by the Yogyakarta City Government

On October 30, 2025, our group company in Indonesia, PT. TOKYO RADIATOR SELAMAT SEMPURUNA (hereinafter “TRSS”), was honored by the Yogyakarta City Government as a company that has provided guidance to local small and medium-sized enterprises (SMEs) and supported sustainable business practices.

Details of the initiative:

TRSS successfully transitioned from importing parts used in the production of intercoolers to sourcing these components through mass production by local SMEs. This effort contributed to the development of Indonesia’s manufacturing industry and was highly valued, leading to this commendation.

As the TRS Group, we will continue to strengthen collaboration with local businesses and strive to build sustainable operations, contributing to the growth of both local communities and industries.
